

About Nayara Energy

Nayara Energy is a new-age downstream energy and petrochemicals company of international scale with a unique mix of young and experienced minds and a robust foundation of best-in-class infrastructure and processes with a desire to deliver excellence, every step of the way.

It owns India's second largest single-site, state of the art refinery and one of the most modern and complex refineries in the country having businesses across the hydrocarbon value chain, from refining to retail and is geared up to drive the vision of delivering crude to chemicals.

As the fastest growing pan-India fuel retail network, Nayara Energy is powering India's growing energy demands by expanding its retail network at a massive pace

Driving inclusive growth, demonstrating deeper commitment and strategic integration of social responsibilities is part of its corporate culture. The Company incessantly works towards being a 'neighbor of choice' for the communities around its refinery and depot and delivering value for the stakeholders. The social initiatives nurtured span across the areas of sustainable livelihood & environment, education & skill development, and health & sanitation.
