

## **SANATHAN TEXTILES**

SANATHAN TEXTILES PVT. LTD. one of India's leading Yarn Manufacturing company is promoted and managed by the Dattani family, who have been an integral part of the Indian Yarn Community for over 75 years.

Built on principles which have been passed on by generations, Sanathan Textiles has been developing dependable relationships with customers and agents around the world.

The aim has always been to supply a wide range of innovative yarns to leading textile manufacturers in domestic and international markets. This wide variety of innovative yarns is the raw material for universal fabrics and materials that we use in our daily lives.

Through constant R&D, consistent Service and efficient Supply chain Management, Sanathan Textiles has focussed on providing innovative yarns at the best price and premium quality after understanding the customer's needs and requirements. This practical way of thinking has guaranteed constant growth for its customers, agents, employees and the company.

With an efficient and well equipped manufacturing facility located in Silvassa - India, an experienced staff at its head office in Mumbai and with various other branch offices around the country,

Sanathan Textiles is committed to its aim of providing innovative Yarns for the Fabric of our Lives.
