

About CB&I

CB&I is the most complete energy infrastructure focused company in the world. With 125 years of experience and the expertise of approximately 54,000 employees, CB&I provides reliable solutions while maintaining a relentless focus on safety and an uncompromising standard of quality.

As one of the most complete providers of a wide range of services including design, engineering, construction, fabrication, maintenance and environmental services, no project is too big for CB&I. Our timely and cost-effective solutions not only satisfy our customers' needs, but also improve the quality of life for people around the world.

CB&I is the first engineering, procurement and construction company to win the Green Cross for Safety medal. This is an accomplishment that every one of our employees should take pride in because they made it possible. We thank them for helping CB&I earn this recognition and for their continued efforts to make this company a safe place to work every day.
