

Brief Profile of the Company

Wellknown Group, brainchild of our Visionary Chairman & Managing Director (CMD) Mr. Anil Gupta started its journey in year 1987 with 2 Texturizing machines and over a period of time emerged as one of the top 3 manufacturer of Polyester Filament Yarn (PFY) in the country. A firm believer in producing yarns of world class quality, Mr. Gupta has always opted for best-in-class manufacturing technology. Today Wellknown Polyesters Limited (WPL) has transformed into one of the India's largest integrated Polyester Yarn and fibres producers having its footprints in over 50+ countries.

Wellknown Polyesters Limited is ISO 9001, ISO 14001, ISO 45001 and OEKO TEX STANDARD 100 certified company.

Under the dynamic leadership of Mr. Anil Gupta, WPL has grown into a vibrant, strong and global organization.

The Company has created a niche as a reputed manufacturer of top-quality Polyester Filament Yarn (PFY) and "One Stop Shop" for customers in India and abroad.
